Web Lashing POWERTEX Trailer U-Hook

Product information

POWERTEX web lashing with U-hook. Available in 2-part design in lengths 8,5+0,5 and 9,5+0,5 m.

These web lashings are flexible and durable, made of high strength polyester yarn and steel ratchets and hooks.

Suitable for professional transporters with high standard tensioning force STF and high LC.

- Orange webbing with 5 black stripes for easy identification
- Both long part and short part carry blue identification labels
- Tag give information on STF and Lashing Capacity for different lashing connections
- Each part is marked with a unique serial number for safe equipment registration
- The blue label is protected by transparent plastic layer for long life
- Year/Month calendar printed on the label where next inspection date can be marked or punched
- All lashings carry a white label with warning and user instructions pictogram
- Each lashing marked with QR code to access full user manual
- Trailer U-Hook can be supplied with other lengths and other end fittings on request.

Safety factor: 2:1
