

## Electric Chain Hoist KITO EQM with Motorized Trolley

## **Product information**

Ultimate lightweight and compact size, meticulous and dedicated design, with integrated body protecting the high-performance and highly functional unit.

- The combination of idea and technology materialize in a lightweight size.
  - Meticulous inverter-dedicated design
- A dual-safety mechanism prevents accidents from excessive loads.
  - Equipped with a friction clutch and electronic overload limiter
- Smooth and ergonomic operation
- Shuts off motor current during excessive lifting/lowering to prevent accidents.
- · Meticulous long-life design
- Suitable for severe environments and working conditions
  - Simple design with Grade M6 High-end duty rating with unique motor frame fins and fan cover
- World-class KITO original chain Superstrong nickel-plated load chain
- · Visual indication of maintenance timing
- · Shuts off the motor circuit in case of emergency.
- Higher inspector work efficiency Easier maintenance
- Environmentally friendly
- Use:
  - Lifting Up/Down, Traversing Left/Right

Temperature range: -20°C up to 40°C
